"This years event will be held in an all new 3-D virtual convention center that is extremely immersive. The new center features the Networking Lounge including an array of discussion rooms at selected Expo Booths and a 24- hour "Ticker Tape" featuring special announcements regarding events and special drawings. Also new this year is a 3-D Convention Program Guide containing comprehensive convention information.

There is very little attendees will miss at this virtual event, Peckham concluded. All of the elements of a "hard floor convention" will be there. The only thing missing will be out of pocket costs for airfare, hotel bills, lost shoe leather, aching muscles, travel hassle, registration fees - and time away from home! Attendees can thank the exhibitors and sponsors for that its their gift to the industry"
