2008 Spring Real Estate Cyber Convention in Session On-Line Gates, Russer, Swanepoel, Zeller, Ades, Jones and Peckham Featured

The Real Estate CyberSpace Society has announced that The 2008 Spring Session of the completely virtual National Real Estate Cyber Convention and Exposition is now in session. Attendance is free for real estate professionals at <http://recyber.cyberconventions.com/>

Following on the heels of the highly successful Seventh Annual National Real Estate Annual Cyber Convention and Exposition the Spring Session features a lineup of eight headliner sessions.

Bill Gates, Microsoft Chairman delivers his departing Keynote. **Michael Russer**, "Mr. Internet" shows attendees "How to Convert Online Inquiries into Closed Transactions". Visionary **Stefan Swanepoel** shares "New 2008 Real Estate Business Trends". Widely published author **Dirk Zeller** tells all about "Dealing with Sales Objections". Coach **Kim Ades** delivers "Your Frame of Mind --The Key to Your Success". Author, **Matt Jones** explains "The Real Estate Buying Cycle". Convention producer **Jack, Peckham** shows attendees "How to Get the Most from Cyber Conventions". A Special Report entitled "This is the Future" focuses on new perspectives for worldwide technological change.

In addition to the featured speakers attendees can visit over 150 booths featuring the latest real estate productivity products and services.

This event is made possible by the major sponsorships of RISMedia, Real Estate Magazine, Matthew Ferrara & Company Tech Hotline, The Real Estate Training Center, and The Real Estate Apprentice. Event sponsors also include over 200 real estate Associations and related organizations. CyberConvention are produced by the Real Estate CyberSpace Society.
