Exeter Expands Online 1031 Exchange Resources

Free Online Resources Significantly Expanded!

San Diego, California, February 18, 2010 – Exeter 1031 Exchange Services, LLC has significantly expanded its online resources, complete with its much more in depth and comprehensive 1031 Exchange Resource Library and Exeter Learning Institute [<http://www.exeter1031.com>],” announced William L. Exeter, president and chief executive officer, Exeter 1031 Exchange Services, LLC

Mr. Exeter explained that, “Real Estate investors and their Realtors® very often get frustrated when trying to get straight answers to specific 1031 Exchange questions. They often get referred to their attorney, accountant or other financial advisor, and then get many different and confusing answers.”

Mr. Exeter further explained, “We recognized years ago that Investors and their professional advisors wanted access to free technical resources on 1031 Exchange transactions in order to do their own research. Investors are becoming more sophisticated, more hands on and prefer to do their own study.
