Maximize Your Time, Increase Your Production, Make More Money.

Expand your business and make more money by subscribing to The REDX's For Sale By Owner (FSBO) leads service; the most complete source of FSBO leads in the United States and Canada. The REDX's FSBO prospecting solution has been designed to help real estate professionals work more productively in today's demanding real estate market.

The REDX captures FSBO leads from thousands of online sources via advanced web and database technologies. Every day you will receive the highest quality and quantity of FSBO leads for your area. Additionally, every FSBO lead is screened against the National Do Not Call Registry (DNC) and scrubbed to avoid duplicate leads.

Organize your FSBO leads with the industry's premier lead management software – RoLEDX Advantage. With RoLEDX Advantage you can maximize each FSBO by scheduling and tracking tasks and to-do's, creating mail merge campaigns, utilizing free professional call-scripts as well as many more real estate specific tools designed to help you transition a FSBO lead into an MLS listing.

The REDX is committed to your success by providing industry insights through monthly newsletters and tele-seminars with many of the top coaches and trainers from the real estate industry. The REDX also provides free training or troubleshooting via our technical support team.
